

Volunteer Center  
OF SONOMA COUNTY

Dear Consultant,

**Would you like to take advantage of an opportunity to market your services to the nonprofit community?**

The Volunteer Center of Sonoma County has a **Directory of Nonprofit Consultants** on their website. To view the Online Directory, go to: <http://volunteernow.nu-designs.us/directory.php> The Directory is searchable by consultant or firm name, keyword, or area(s) of expertise.

As we tell hundreds of nonprofit staff, board members, and other consultants every year, this Directory is the **fastest way to locate qualified consultants** who serve North Bay clients. Volunteer Center staff actively promote the Consultants' Directory to over 750 workshop and roundtable participants, **hundreds of callers to the Nonprofit HelpDesk seeking a consultant referral**, to more than 500 agencies who receive the workshop brochure, and on our website, [www.volunteernow.org](http://www.volunteernow.org)

**And because times are tight, we're offering a reduced price of \$85 for the year – a \$15 off the regular price.**

**For \$85, you will receive:**

- > **A 12 month listing good through June 2011** in the Online Consultant Directory database which is searchable by consultant or firm name, keyword, or area(s) of expertise;
- > **The ability to create your own description of services**, consulting philosophy, and contact information; and
- > **A link from your listing webpage in the Consultant Directory to your own website.**

Could this be any easier?

To take advantage of this opportunity, just complete the attached registration form and send it along with your \$85 check or credit card information to:
