Wheels**

**These wheels run on love...**

## Volunteer Wheels is...

### WHO...

Many of Sonoma County residents are unable to drive or utilize public transportation as a result of a disability. Volunteer Wheels can assist them in maintaining their independence by providing transportation.

*"I always end each day of volunteering feeling satisfied that I have helped needy and appreciative neighbors. My own problems seem less serious and my overall wellbeing is always much improved."*

Hal Einhorn  
Volunteer Wheels Volunteer Driver

**SonomaCountyParatransit**

### WHAT...

Volunteer Wheels has been providing transportation in Sonoma County since 1975, and ADA paratransit services since 1993. Seven days a week, we drive people to medical appointments, work, school, senior centers, shopping, visits with friends and loved ones, or any county location within our service area.

### WHERE...

Rides are provided between cities in Sonoma County and within the cities of Rohnert Park, Cotati, Sebastopol, Windsor, as well as in Sonoma Valley and the Guerneville area.

### When...

We provide our volunteers with the fuel, auto insurance and the vehicles to pick up passengers in the morning, afternoon, evening or

weekends to take them to appointments, or bring them home. You may volunteer for any amount of time, from as little as four hours a month to as much as every day. We can match your schedule with someone in your area who needs a ride.

### WHY...

Spending a little time driving for Volunteer Wheels provides a meaningful opportunity to serve your community while helping others to manage their life activities with dignity and independence.

**You can help by  
volunteering to drive.**

### HOW...

Contact Volunteer Wheels for an application and information about our training program.
